Your Committee on Commerce and Consumer Protection, to which was referred Governor's Message No. 615, submitting for study and consideration the nomination of:

G.M. No. 615 WENDEE WILSON, for a term to expire 6-30-2016,

begs leave to report as follows:

Your Committee has reviewed the personal history, resume, and statement submitted by the nominee and finds Wendee Wilson to possess the requisite qualifications to be nominated to the Motor Vehicle Industry Licensing Board.

Your Committee received testimony in support of the nomination of Wendee Wilson from the Department of Commerce and Consumer Affairs and five individuals.

Upon review of the testimony, your Committee finds that Ms. Wilson's experience and commitment to public service qualify her for appointment to the Motor Vehicle Industry Licensing Board as a public member. Your Committee notes that Ms. Wilson is currently a legislative office manager for the State House of Representatives and is familiar with the objectives and operations of the Motor Vehicle Industry Licensing Board and Department of Commerce and Consumer Affairs. Ms. Wilson previously served two terms as a public member of the Board of Massage Therapy, including serving as Chair until her term expired in April 2013. This experience will make her an invaluable asset to the Motor

Vehicle Industry Licensing Board. Your Committee further finds that Ms. Wilson has a thorough understanding of the role and responsibilities of board members and recommends that Ms. Wilson be appointed to the Motor Vehicle Industry Licensing Board based on her knowledge, prior board experience, and dedication to serving her community.

As affirmed by the record of votes of the members of your Committee on Commerce and Consumer Protection that is attached to this report, your Committee, after full consideration of the background, experience, and qualifications of the nominee, has found the nominee to be qualified for the position to which nominated and recommends that the Senate advise and consent to the nomination.
